Sub: Establishment - Public Health Division,
Coimbatore - Sri T.A. Narasimha Ayyangar,
Assistant Engineer (Ph) Mangalore -
Additional charge allowance - Sanction -
Regarding.

I forward herewith the application dated 11-6-1953 of Sri T.A. Narasimha Ayyangar, Assistant Engineer (Ph) Mangalore Sub Division for additional charge allowance received from the Executive Engineer (Ph) Coimbatore Division.

2) The Assistant Engineer (PH) is reported to have held full additional charge of the post of Section Officer (PH) Kozhikode during the period from 16-5-1952 to 8-9-1952 under the orders of the Executive Engineer (PH) Coimbatore Division in his Nos. 405 Mw dated 30-5-1952 and 414 M, dated 2-6-1952 (copy enclosed), when Sri George Kuruvillah proceeded on leave. This fact was reported to you while forwarding the application for leave submitted by the Junior Engineer - Vide - this office No. 14205 G/52-1, dated 14-8-1952 and your Proceedings No. 7814 E2/52-5, dated 15-9-1952..

3) The claim for the additional charge allowance as preferred by the Assistant Engineer (PH) is belated. He should have applied for it within three weeks of his relief from the additional charge. The delay is due to the fact that the Assistant Engineer (Ph) does not appear to be conversant with the departmental procedure in this respect. In March 1953, the Officer addressed this office seeking my approval for his action in having held the additional charge. He was informed that, as he held the additional charge under the orders of the Executive Engineer (PH), he need not have applied for any further approval of the Sanitary Engineer and he was asked to submit his application for additional charge allowance in the prescribed form restricting his claim to three months. The Assistant Engineer (PH) accordingly submitted this application which was recommended by the Executive Engineer (PH) Coimbatore Division in his Endorsement No. 771 SE, dated 17-7-1953. But the application was defective as the nature of the additional charge held by him was not mentioned in column 8 (i) of the application and it was therefore returned for supplying the omission and resubmission. The application was returned by the Executive Engineer (PH) with his No. 960 SE, dated 2-9-1953 supplying the omission. It will thus be seen that the delay in this case is mainly due to the ignorance of the Assistant Engineer (PH) of the procedure in the matter.

4) In the circumstances, I request that the application may please be admitted as a special case and orders of Government obtained sanctioning full additional charge allowance at 1/5th of his substantive pay restricting the claim to a period of three months. The substantive pay of the Assistant Engineer (PH) in the post of Municipal Engineer II Grade is Rs.330/- per mensem and hence he may be paid the charge allowance at Rs.66/- per mensem which is less than half the minimum of the scale of pay of the Junior Engineer's post - vide Ruling 9 under Fundamental Rule 49.

Encl: 1. Copy of letter of the E.E. (Ph).
2. Application of the A.E. (PH) in original.

Copy of the Ref. No. 405 Mw/A1/27-E, dated 30-5-1952, from the Executive Engineer (Ph) Coimbatore Division to the Assistant Engineer (PH) Mangalore.
